Allied Paper, Inc./Portage Creek/Kalamazoo River Superfund Site

Dear Ms. Kirby-Miles and Ms. Wood-Chi:

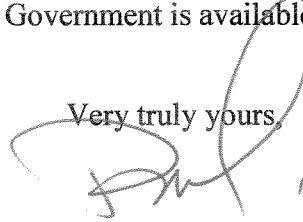

We represent NCR Corporation ("NCR") in *Georgia-Pacific Consumer Prods. LP v. NCR Corp., et al.*, No. 1:11-CV-00483 (W.D. Mich.), the private contribution action against NCR for costs associated with remediation of the Allied Paper, Inc./Portage Creek/Kalamazoo River Superfund Site (the "Site"). We last met with the Government about issues pertaining to the Site in February 2013.

The private litigation continues to move forward. Fact discovery has closed and expert discovery will commence on December 5, 2014. Trial in Phase II of this matter is scheduled for September 2015.

NCR believes that now is an appropriate time to resume discussions with the Government about a path forward at the Site, before additional time and resources are expended in the litigation. We are interested in scheduling a meeting with the Government for such discussions and to review recent developments—preferably in the coming month if that schedule is convenient.

Please let us know when the Government is available for such a meeting.

Very truly yours,

A handwritten signature in dark ink, appearing to read 'D. McAtee', is written over the closing 'Very truly yours,'.
